THE BOARD OF HEALTH Mosquito Season

April showers bring May flowers, but they also bring mosquito season. If you have any old items lying around that will hold stagnant water, you are putting a welcoming mat out for these mosquitos. They only need a little bit of water to reproduce. Please take the time as spring approaches to look over your property for any possible mosquito breeding sites. Clean out your gutters, change the water in your bird baths, etc. For additional information on mosquitos, contact the Bergen County Mosquito Control at 201-634-2881.

FIRE PREVENTION

from Tom Simpson,
Fire Marshal:
Check all hoses on your grill and replace any that are cracked or split; drain all the gas from your snowblower and store it outside your home. Make sure your generator is working; never have it inside. If you are selling your home, replace 10+ -year-old smoke detectors, 110-volt alarms, and carbon monoxide detectors with ones that have a ten-year battery already installed. If you are in any building and the fire alarms activate, you must go outside immediately and then call 9-1-1. Stay out until you are told to go back in by the Fire Department, even if the building is your home. Brookside and Allegro have a shelter in place rule because of the residents' needs at those facilities, so those are exceptions. If you have questions, email me at fireprevention@harringtonparknj.gov.

FROM THE TAX OFFICE

Tax payments were due on 5/1. The grace period is 10 days; if payment is received after 5/10, the interest charges revert back to 5/01. You can pay taxes online for a small fee. Click the Tax Collector tab and link to pay taxes at harringtonpark.gov. You can also mail your tax payment or drop it in the box attached to the Borough Hall. If you require a receipt, please include a stamped, self-addressed envelope, and I will mail it to you. Please put your PTR forms in our mail box and include your phone number. I will sign them and call you to arrange a time for pick up. If you have any other questions, please visit our Borough website and select the Tax Collector tab, call me at 201-768-8185 (or the Tax Clerk at 201-768-1588), or e-mail cfocollector@harringtonparknj.gov.

CCO REQUIREMENT

Any rental, lease, or sale for any residential use will require the owner to apply for and secure a Certificate of Continued Occupancy from the Building Department. The resulting inspection is in addition to the Smoke Detector/Carbon Monoxide Certificate, also filed through the Building Department.

Harrington Park Historical Society

We need your help! Save our history!

Two headstones have recently been damaged at the Old Burying Ground on Tappan Road. They are for Abraham Quackenbush (1768-1854), who received a royal charter from King George III to build a grist mill on the Hackensack River, which his grandson John Bogert later operated; it became known as "Bogert's Mill," and his wife, Elizabeth Myers (1770-1807). As the sole caretakers of this cemetery, we will repair these monuments with your generous financial support and the professional expertise of Mr. Robert Carpenter. If you can help, please send your donation to P.O. Box 105, Harrington Park, NJ 07640. After the stones are restored, we will host a tour of the Old Burying Ground for the donors. If you have any questions or would like to get involved, please contact Gerri Gibney at (201) 768-2615, visit www.harringtonparkhistoricalsociety.com or Facebook. We are a non-profit 501(c)(3) Corporation.

FROM THE MAYOR'S DESK

THE INTRODUCTION OF THE 2022 BUDGET I am happy to announce that at the April 25 Special Mayor and Council meeting, our Council introduced of the 2022 municipal budget. Its smooth passage was due to the diligent work of our Chief Financial Officer, Kunjesh Trivedi, as well as our Finance Committee: Councilman Pedersen, Councilwoman Chung, and Councilwoman Walker. Because of their dedicated time and determined effort, our budget is under the "CAP." The budget meeting has been rescheduled for May 16. On May 23, a Public Hearing and Adoption of the budget will be held.

RESURFACING OF HARRINGTON PARK ROADS As I drive through town, I am constantly reminded of the beauty of our charming community. I also am aware of our responsibility to maintain that standard. Being a member of the Riverside Cooperative with other Northern Valley towns, Harrington Park is able to save a substantial amount of money for the road beautification process. Recently, Harrington Park submitted a list of roads that we desire to resurface in 2022. Dependent on the bidding process, we aim to work on the entrance to the DPW, to complete Carman Road, and to begin a portion of Kohring Circle. In addition, we also applied for and received a grant from the New Jersey Department of Transit. This grant is being applied to road improvements in our Downtown area as well as Norma Road. I would like to thank our DPW, who continues to beautify our roads as they repair potholes that developed during the winter season.

SILVER JIF SAFETY AWARD On April 12, the Borough of Harrington Park was rewarded by the Joint Insurance Fund for our successful safety procedures during the past year. The Joint Insurance Fund awarded Harrington Park with a check in the amount of \$750.00. The presentation was made at the JIF Annual Award Breakfast held at Seasons in Washington Township.

OTHER MATTERS OF INTEREST

- Our tennis aficionados will be pleased to know that an application has been submitted for Phase 2 Tennis Courts through the Open Space Trust Fund.
- Harrington Park moves forward with our Community Development Project for ADA bathrooms at Highland Field Hut, allowing all to enjoy the many exciting events that happen there.
- If you relish buying fresh produce or finding locally made gifts for others (or yourself), you will be excited to learn our annual Harrington Park Farmers Market continues. The market will take place Sundays from August 14 to October 30. The Business Alliance always welcomes food-based vendors to participate. If interested, please contact the Borough Clerk at clerk@harringtonparknj.gov or 201-768-1700.

AS THE SEASONS CHANGE It always brings me pleasure seeing our young residents enjoy the outdoors as the weather improves. Our youth partake in athletic activities and use our recreational areas as well as our streets for fun. Many residents tell me that being able to let their youngsters do so is a big part of Harrington Park's charm. For this to continue safely, I ask that you review with your children safety procedures associated with their activities. Please also pay special attention to your driving habits. Most of our streets have speed limits of 25 miles per hour. Please drive every street as if your child lives there.

OPENING DAY On April 9, we celebrated the opening season for Harrington Park's T-ball, softball and baseball seasons with our annual parade from the Harrington Park School to Highland Fields. Sports help teach our youth many important aspects in life, including team work and responsibility. It gave me great

pleasure to see such a turnout for the ceremony and the events following. I thank all of those involved in the organizations and all of the parents supportive of the programs.

GREEN TEAM Interested in Harrington Park's environmental, ecological conservation and natural resources program? Consider joining the Harrington Park Green Team. They are currently welcoming new members. Please feel free to attend a meeting held the first Wednesday of every month at 7:30 p.m.

POLICE OFFICERS In mid-January, we welcomed two new officers to our police department. I wish Police Officer Michael McClellan and Police Officer Ryan Soodsma much success in their career. I am confident that both will serve the Harrington Park community vigilantly and I look forward to working with them.

COVID As more and more people are vaccinated, the severity of COVID has thankfully decreased. However, it is imperative to remember COVID is still very much with us. I urge you to continue using all safety precautions. The CDC states that everyone 5 years and older is now eligible for free COVID vaccinations. You may search [vaccines.gov](https://www.cdc.gov/vaccines) or text your zip code to 438829 to find COVID-19 vaccines near you. If you have concerns about the Vaccination Program, please consult your family doctor.

AIR TRAFFIC ISSUES Residents have approached me about concerns in regards to Air Traffic noise. I visited the areas in question and have observed numerous flyovers. I have been and will continue to be in contact with other Northern Valley and Pascack Valley mayors. The best way to file any noise complaint is to call 800-225-1071 or aircraftnoise.panjnj.gov/submit-a-noise-complaint/

MEMORIAL DAY PARADE On Monday, May 30, Harrington Park will once again enjoy our Memorial Day Parade. Line-up begins at the Harrington Park School. The march will process to Highland Fields as we are accompanied by the talented Harrington Park Band. While this day is usually one of celebration for Harrington Park, it is important to remember the solemnity of the holiday. Memorial Day originated from Americans honoring those who lost their lives in the Civil War. It was originally called "Decoration Day" and the first one occurred in 1868 at Arlington National Cemetery. At the ceremony, a speech was given by an Ohio congressman who would become the future President James Garfield. His words resonate: "I am oppressed with a sense of impropriety of uttering words on this solemn occasion. If silence is golden, it must be beside the graves of fifteen-thousand men, whose lives were more significant than speech, and whose death was a poem with music of which can never be sung." Today, the number of soldiers who we honor on Memorial Day is multiplied by hundreds of thousands. Let us remember those who gave their lives so that we may have freedom in ours.

GRADUATION As June nears, our Harrington Park eighth graders and NVOT seniors prepare for graduation. I am proud of the hard work and dedication that our young residents have demonstrated to obtain this milestone. Oftentimes, graduation is called commencement. Commencement means the "beginning of the next." I prefer to use that term. It allows for endless possibilities and exciting prospects. Our young graduates have new paths to explore. It brings me great joy as the Mayor of this town to have had the pleasure of watching our youngsters grow over the years. I wish our graduates my sincere congratulations and my deepest hope that their futures are beyond measure.

To all of our mothers and fathers, I wish you the happiest Mother's and Father's Day.

STAY WELL STAY SAFE STAY POSITIVE
